NO DOUBT A TRADITIONAL LONDON GIN

3 CENTURIES OF TRADITION

No.3 celebrates the integrity and character of a classic London Dry Gin. Created by Berry Bros. & Rudd, London's oldest wine and spirit merchant to represent the very pinnacle of gin, No.3 brings together expert craftsmanship to produce a beautifully elegant classic London Dry Gin that, with juniper at its heart, is a hallmark of the style. The name is a tribute to No.3 of St. James's Street in London, the home of Berry Bros & Rudd since its 1698. The key on our bottle was inspired by the key to the lock in the door of the parlour at the heart of the shop of No.3. Distilled in traditional copper pot stills, from a recipe of six botanicals sourced from around the world, No.3 London Dry Gin balances fresh citrus notes and gentle spice. It is this taste profile that makes it superb for mixing drinks through our concept of Unlock Taste. Unlock Taste is about accentuating or balancing flavours, creating texture and depth through the finest ingredients. Further, it is the lifelong pursuit and development of one's own sense of preference; an understanding of the small things that elevate the ordinary to the sublime. A personal appreciation of how things are meant to be.

3 FRUITS and 3 SPICES

With juniper at its heart and using a combination of just three fruits and three spices: sweet orange peel, grapefruit peel, angelica root, coriander seeds and cardamom pods.

TASTING NOTES

- Nose: bright, crisp and fresh, with an uplifting welcome of juniper.
- Palate: The juniper is the protagonist, supported by floral notes and spicy, warm cardamom. Plenty of citrus 'zing' complemented by the gingery spiciness of coriander.
- Finish: The earthy dryness of angelica kicks in
